- 3)** Avoid closing exam before completing.
- 4)** Avoid using calculators or similar equipment.
- 5)** Do not press the device's back/home button.
- 6)** Avoid looking around or moving out of your seat.
- 7)** Do not cover the camera during the examination.
- 8)** Do not submit before checking the answers.
- 9)** Do not lock your mobile phone during the exam, as doing so will result in the exam's submission.

GENERAL IMPORTANT INSTRUCTIONS

- Keep your app, device, system and browsers updated to prevent technical difficulties during the exam.
- Students appearing for Online Annual Olympiad Exam shall read all the instructions regarding the exam carefully before performing the original (main) exam.
- Students should keep a track of time (**Timer begins as soon as the student clicks on the exam link**) as **NO EXTENSION IN TIME** will be provided. The test will get automatically submitted once the time allotted gets over.
- The student is allowed to take the test **ONLY ONE TIME**.
- **DATE AND TIME ARE RECORDED**

If the exam window is close before submitting all the questions, **the marks will not be recorded.**

- If closed **NO SECOND ATTEMPT** will be provided and a note will be displayed stating that '**The student has attempted the test**'.
- Once the exam tab is closed, it **CANNOT BE RESUMED** (reopened).

Students should use device with front camera/webcam. Voice record, video record, eyeball recognition, multi browser detection & image capturing will be automatically started once the student clicks on the exam tab. **Note: Students' score will not be considered if the permission to access the camera/microphone (if asked) is denied/not allowed.**

- Students cannot open any other tab while attempting exam as the screen is recorded.
- While appearing for exam students are **NOT ALLOWED TO LOOK AROUND** as the Camera will capture the photos while attempting the test.
- The device (desktop/laptop/smart phone) used for giving Olympiad Exam must have good internet connectivity, a webcam/front camera and an updated version of browser (Google Chrome).
- Students should **CLOSE ALL OTHER TABS** in the browser.
- Students are **NOT ALLOWED** to refresh the page or use back button of the browser, as it may lead to interruption in the exam.
- **NO OTHER PERSON** except the participating student is allowed to enter the room (space) while the student is attempting the exam.
- For class one and two students – parent/guardian is allowed to sit with the student to **READ QUESTIONS ONLY**.
- Students are requested to sit on a clean desk/study table with no object except the device.

- Parents/students need to ensure that the room is as quite as possible.
- Rough paper can be used to solve logical problems and should be kept on a desk/study table while attempting the exam so that it is clearly seen by the invigilator. (rough paper should be captured in camera)
- Use of calculator / similar devices is **NOT ALLOWED**.
- Students should check the answers before submitting the exam.
- Students can recheck their selected answers before clicking on finish button and submitting the exam.
- Device (mobile) should be held upright so that the face visibility is ensured by the invigilator.
